Hail to the Kindreds!

Contained with this mailing is the AlThing 37 packet and the 2267 Annual Fees Assessment form for Kindred membership within the Asatru Alliance. By executive action of the AlThing 31, the dues assessment per Kindred has been changed to \$70 per year payable upon receipt of this letter. You will receive a subscription to Vor Tru or your subscription will be extended by 4 issues. This fee allows you to support the general fund of the Asatru Alliance which is used to pay operating fees of the corporation. By vote of the AlThing 23, any full Kindred of the Alliance which did not pay the kindred assessment last year now owes for last year and this year as well. If the assessment for your Kindred was not paid last year, I will indicate it with a check mark. Further, any Kindreds which are delinquent in their assessment when the AlThing convenes, will lose their vote at the AlThing until their assessment fees are paid.

Please make copies of the AlThing packet and distribute to your Kindred. If you are unable to do so, please contact me and I'll send you as many packets as you require.

Respectively submitted,

Valgard Murray

AlThing 37 Notes

Early registration is very helpful to us because it allows the various committees to plan for food purchases and other necessary items. Payment does not have to accompany your registration form, but it sure helps. There are however no refunds for no shows.

The grounds will be available on 9/27/2017 at 2 PM for early arrivals. There will be no structured events during the day, but we will serve an evening meal. Later there will be a social hour around the campfire, featuring mead and cookies.

This is the same site used for many previous AlThings. Free camping is available on-site for tenters and RV's. There are no utility hook ups. This is a U.S. Forestry group site, so amenities are limited. The location has some of the prettiest views in Arizona. Nestled in a pine and oak forest at 6,000 ft elevation with abundant wildlife present. We will explain camp safety during the event. Days will be warm to cool with cool to cold nights. Plan accordingly.

Numerous cabins for rent are available close by, prices are reasonable. I suggest reservations before the event.

The Village of Christopher Creek is located less than a mile from the Thing grounds. They have a general store which caters to campers, but there is no gasoline available in the village. You should gas up your vehicles in Star Valley about 18 miles west of Christopher Creek.

Your entrance fee includes four breakfasts and four evening meals. You are responsible for your other meal requirements.

The peace is sacred! There will be zero tolerance of trouble makers. If you break the peace you will be evicted, possibly outlawed by the Thing, or prosecuted by local law authorities. Underage drinking of alcohol is forbidden and will be cause for expulsion from the AlThing. Parents will be held responsible for their children's behavior.

Pets are not encouraged, but if you must bring them, they must be leashed and pose no threat to the Folk.

There are a lot of chores and just plain hard work involved to produce an AlThing. Your help in any area of need is very much appreciated. If you wish to help, tell the registration people when you arrive and they will sign you up with the appropriate committee.

Mead brewers are encouraged to bring their best for Sumbel and other activities. There will be the 30th Annual Mead Brewers Competition and all brewers are encouraged to bring a bottle to be judged by your peers.

If you are driving to the AlThing, please let us know if you accept riders. If you need a ride, let us know. Although we make no promises to secure you a ride, we will try to help. Also if you are flying into the Phoenix airport and renting a car, let us know, and we will try and help you carpool to share expenses. Distance from the airport to the Thing site is about 100 miles of nice four lane highway.

Ceremonies of the Folk are welcome at the AlThing. If you are planning a wedding, name giving, or other special occasion, please let us know in advance so we can make proper arrangements. Ceremonies of the Folk are usually conducted on Saturday evening.

If you are an Asatru vendor or craftsman, you are welcome to sell your wares at the AlThing. You are expected to donate a suitable item to the AlThing fund raising auction.

All are encouraged to participate in the Viking Games. We will have heavy and light caber toss, axe throwing, spear throwing, hammer throw, a foot race, the pillage and cut and possibly a few more. There will be games for the children and all winners will receive an award.

Attendance fees at the AlThing are very low compared to similar events. Our intention is to make it affordable so more families can attend. To offset this low attendance fee we encourage everyone to bring an item to donate to the Alliance fund raising auction.

If you have a Guild presentation or want to conduct a seminar of special interest, please let us know in advance so that we can schedule your presentation.

Guests who are not a member of an Asatru Alliance Kindred must be approved by the officers of the Asatru Alliance.

If you have any questions or comments, please feel free to write us, or you can call World Tree Publications during normal business hours at:

928-474-1010. Our fax is 928-474-1799. Our e-mail is: wtree@npgcable.com
